

Monroe County Hospital offers financial assistance under our Financial Assistance Policy. This program allows patients to apply for assistance for medical bills.

The eligibility requirements are:

- Complete Indigent Care application.
- Provide copy of previous year's W-2 tax return.
- Provide copy of last three check stubs.
- Provide copy of statement of benefits from SSI and/or social security, if current receiving benefits.

Our Financial Counselor will review this information and determine your eligibility. Depending on your gross income; you may qualify for Indigent Care or Charity Care.

Indigent Care means you are eligible for free or 100% discount on your medical bills. This will be based on income and the current Federal Poverty Guidelines.

Charity Care means you are eligible for discounts but will be required to pay a co-pay for services. This will be based on income and the current Federal Poverty Guidelines.

You may request more information or written instructions/information by calling 478-994-2521 or come by the hospital at 88 Martin Luther King Jr Drive, Forsyth, GA 31029. You may come to the emergency room admissions department as ask for an application or to speak with a Financial Counselor.

Instructions and/or information about our financial assistance program can be mailed to your home address at your request.
